MY SEXY SECRET!

"CALENDAR CUNT!"

I've always had a fantasy of being a model and so when I read online that a local photographer was holding auditions for a swimwear calendar he wanted to shoot, I showed up. I wore a bikini and posed in front of a wall while he took test shots. There were a lot of girls there.

I tried my best but I didn't think the guy liked me that much. He was polite and shook my hand and told me he'd call if I was chosen. Later I went home and took off my clothes and lay down to take a nap. I thought to myself, "He'll never call. I'm cute but not the kind of model he was looking for. I'm not tall enough." And then I began to play with my pussy and I imagined the phone ringing and him calling and saying, "I can't get you out of my head. You're not right for the calendar but you're right for my cock. Would you come back to my studio so we can spend some time together?" I kept hearing his voice in my mind saying, "You're not right for the calendar, but you're right for my cock...right for my cock...RIGHT FOR MY COCK..." and in about two minutes I exploded all over my hand.

I decided that when I calmed down, I would get out his business card and call him, because it was clear that HE was certainly right for my pussy!— ***Amanda, Portland OR*** ♣

Interview by Emma Edwards

What made you decide to join the adult industry?
I was in Texas and met Michael Raven at a topless bar. That was the start. In fact, I was a virgin when I entered into the adult industry. I sold my virginity, so to speak, and agreed to have my "first time" shot and documented on film. It still hasn't been released yet. They wanted my name and popularity to rise before introducing that movie into the marketplace. It's was kind of a shock into the industry, to say the least. Consequently, Evan Stone, a fellow Texan, was the man that took my virginity. My whole experience from start to finish was documented. They followed me from Texas and even recorded my session with medical doctors. Everything since then, I'm talking about every one of my sexual experiences, aside from one off screen boyfriend, has been on camera.

So, what was your experience like with Evan Stone?
It was super crazy and a bit emotional. After I left, my mom found out and called me while I was still on set. They taped it. It was crazy but amazing at the same time. I didn't realize when I chose Evan that he wasn't a small man in the dick department. They gave me an option of a few people, and I eventually sided with Evan because he used to be a knight at Medieval Times Dinner and Tournament and was from Dallas. I thought it was meant to be.

What year was that?
It was July of 2009. I've literally only been having sex for one year. I've been trying to pick up tricks along the way. I have a few.

Is your affiliation with adult the way you assumed it would be?
Well, for one thing, I am a little taller than most other female performers. In fact, I'm taller than many of my male co-stars. At times, they have to stand on apple boxes to perform scenes with me.

Release: StoreMags & FantaMag

StoreMags.com

Sometimes I feel like I am a part of an old western movie with Chuck Norris. I hear he's not so tall either. I also didn't realize the amount of retouching that goes into the images seen in magazines. I thought everyone was naturally that beautiful. Not to mention the fact that an actual editor goes in and fixes/reworks some of the sex scenes to make them look their best. I had no idea how technical porn is and how romantically uninvolved the sex can be between the two performers. It's much more objective than I thought it would be. People have no idea the level of production that goes into the creation of each and every movie. It's astounding!

What have you learned about yourself sexually due to your affiliation?
I'm getting to know myself better sexually and am discovering my likes and dislikes. I was raised Jewish and brought up with the mentality that a woman is supposed to save herself for marriage and that random sex with people is evil. I'm much more free spirited. My moral ideals have changed.

How do you like to be touched?
In my personal life, I am more intimate. In my movies, I become a sexual performer. I perform for my fans and deliver what I think they want to see. I turn to my fans and ask them what they'd like me do, with whom, when, and why. Ultimately, that is going to get me more work and is better for all parties involved, I guess.

How do people in your life feel about your career decision?
Growing up in high school, I was captain of the debate team, wrestling, and was a complete prude. All my friends say I was the least likely to ever become a sexual performer. They wonder how they couldn't spot this in me all along. I've always been one to go against the grain though. For those who love me, like my mom, they still love me no matter what. There has really been no real big judgment on me, thank goodness.

What are your favorite types of roles to play?
I prefer features to gonzos. I enjoy getting into character, learning a script and acting it out. Being a cop for a few days in Sex Crimes; Vivid Entertainment was a great experience for me. I called my mom and told her I was going to work in a suit. She asked if I was keeping it on. My reply, "Nope!" I really enjoy the acting side of all of the features.

Tell us about your starring role in Sex Crimes. Did you learn anything new about yourself as a performer?
That was a great experience, sexually. I performed a hot boy/girl scene with Johnny Sins and a boy/boy/girl with Evan Stone and Jerry. I was so focused on doing a good job that I really lost myself in the sex and tried to see things through a director's eye. I enjoyed that experience very much. When I'm relaxed, I deliver a better scene. I did great work in that production.

Was that your first ever boy/boy/girl scene?
No, it wasn't. A few months prior, I had performed in a scene with Erik Everhard, Toni Ribas and Victoria White for Jailbait 7- Erik Everhard Entertainment. That was like the third or fourth scene of my career. Erik is one of my neighbors. He called me up one day and said, "Hey, would you like to have sex today." Of course, I said yes. Funnily enough, I've been exposed to the "harder" performers and scenes early on in my career. I understand that most girls have to work themselves up to an Everhard, but no me. Erik is my buddy.

Have you performed anal yet?
No, no, no. That's a different monster all together.

SHOOTING STARS

MALLORY RAE MURPHY

Have you taken professional acting classes? Are you a natural?
I've never taken a professional acting class. I think I've just dated a lot of people and got really good at lying and faking emotions. Acting is so much fun.

What type of sex excites you?
I love trying new positions. My first time ever trying pile driver was great. I was scrambling all over the place at first, but by the end of it, I loved it! Any- thing out of the ordinary excites me. Shooting for Kink or crazy sites is also awesome for me. All kinds of stuff is fine with me. The more the merrier, in fact. So long as that type of play is what my partner genuinely wants to do and isn't doing it just to appease me, is sexy. This is something new that I never knew about myself. I'm all about crazy sex!

What is the most erotic thing a person can do to turn you on?
Being fucked and bossed around is entirely erotic to me, since I am such a control freak by nature. Anything that has another person in control of me is hot. I love being submissive with my lover. Actually, my first orgasm ever was through a unique situation. I shot with Ken Marcus, the well-known bondage photographer, and had the first orgasm of my life. I had no idea what was happening to my body. I only knew that I loved it and wanted more.

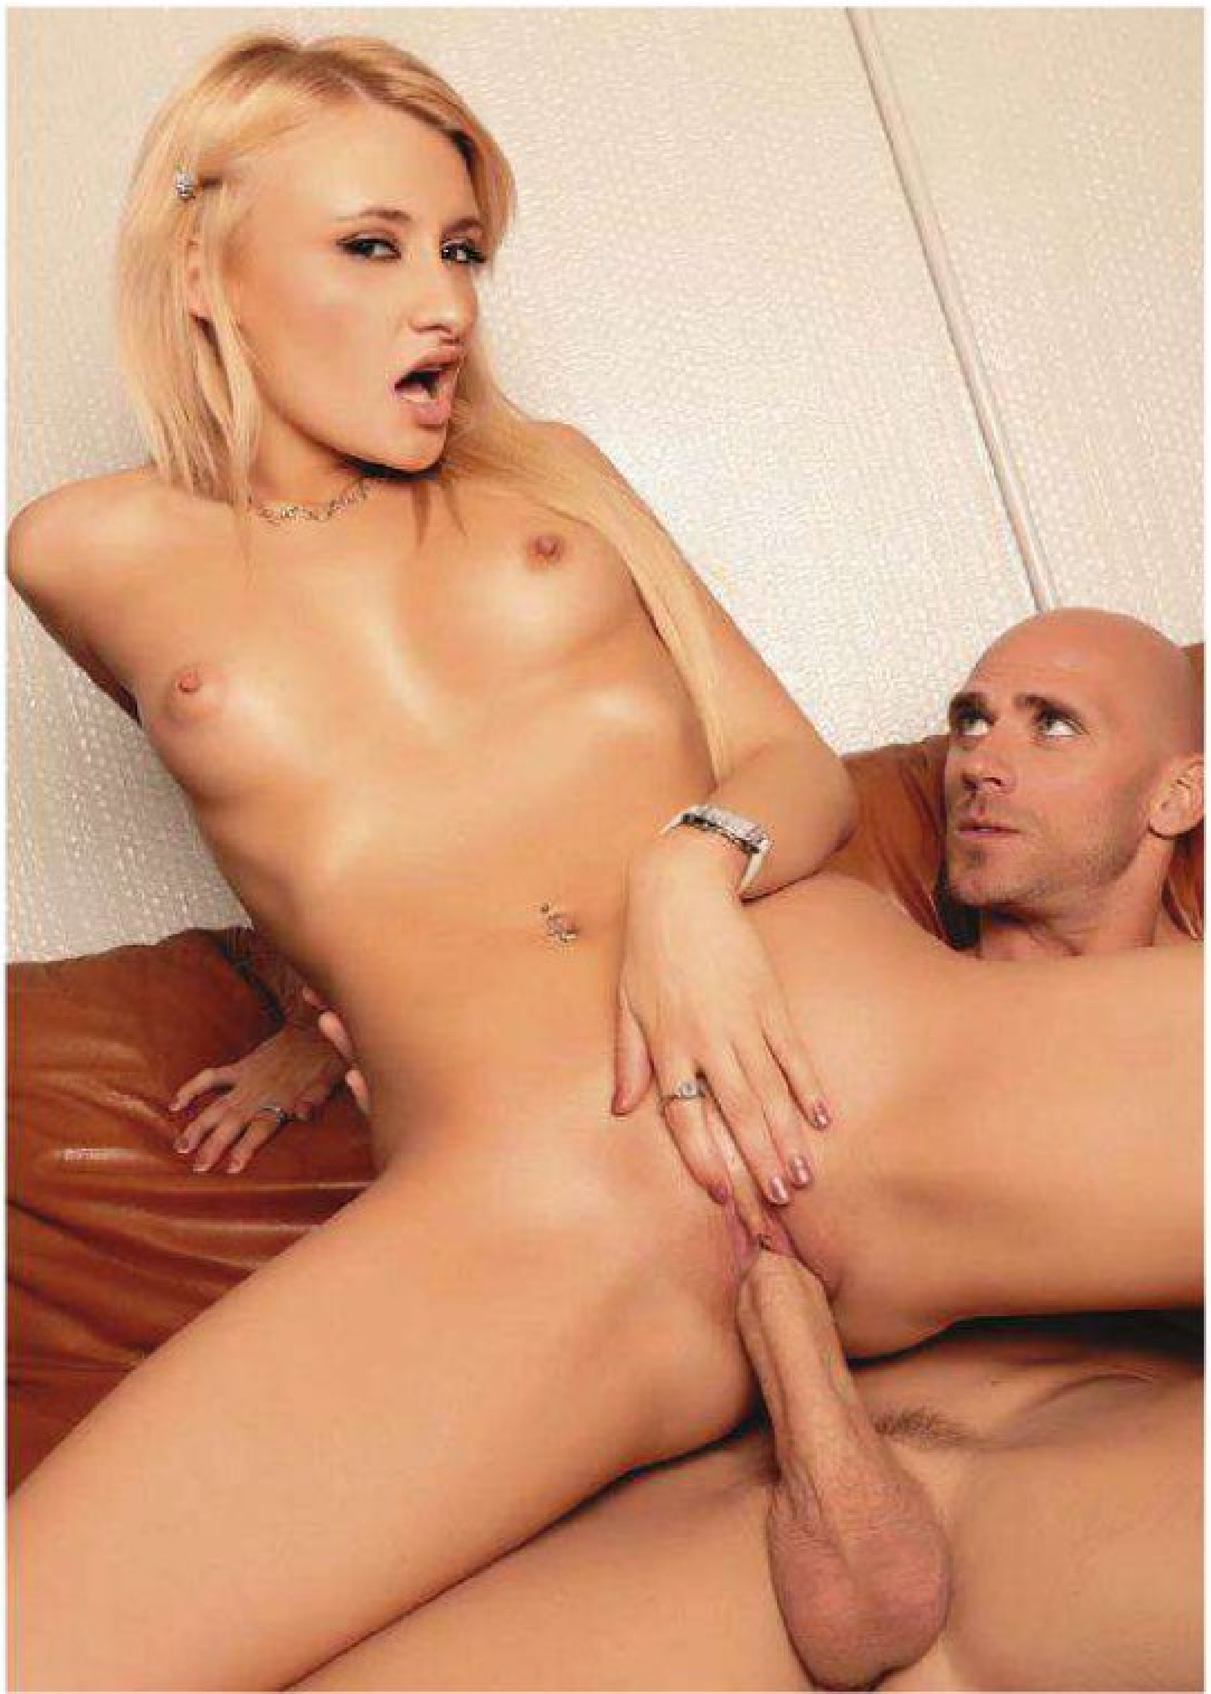
Do you play with yourself now? Are you able to make yourself orgasm?
I do play with myself. It's very easy to get myself off because I know where and how to touch my body to get the desired result. Other people have to learn the ways around my body and take a shot in the dark. There is a lot of trial and error in that approach. For myself, I know exactly what to do. I get in and get the job done.

How many scenes have you shot so far? Of those, can you tell us details from one of your favorite scenes?
I've performed in 35 to 40 movies. I'm really into features and love having scripts to memorize. Since I really like to go through several positions, I don't really like gonzo. In those, you show up, go through three positions, he pops on you, and then you are out! In the features I've been in, they just let the sex naturally unfold. I like that. That's one of the reasons why my scene with Evan and Jerry was so hot. They simply let us go.

Did you practice your facial movements and sexual positions in a mirror before your first movie, to see how you looked best?
My entire childhood, my mom pushed me into pageants. Because of that, I'm used to posing for cameras and am very girlie. I still pose in front of the mirror to this day. I put on my sexy outfits and see how I should move to look my best. Like a dork, I verbally say "ohh" and "ahh" on set, while they are shooting pictures of me.

Were you sexually attracted to girls before porn?
No, I wasn't. My first lesbian experience ever was with India Summer, an older woman. She took charge of me and I felt so connected to her. A woman definitely knows how to touch another woman. My lesbian experience has been growing however. I do enjoy woman and am not gay for pay. Women genuinely turn me on.

Did you like the way India Summer tasted?
Yes, she was delicious. I haven't had anyone too offensive, yet. It's a whole different taste and texture when dealing with women. Kendra Secrets also tasted good. I think I have a thing for MILFS. I roomed with



Amy Brooke for a while and that got a little crazy. We made great use of our days and nights. We literally fucked the daylights out of each other.

What is your favorite act to have done to you sexually?
I feel my orgasms are stronger when I am in total control of a situation.

Describe your undergarments.
I'm wearing little, yellow, lacy boy shirts at the moment. That is what I run around the house in. No bra either, I like my boobs to be free.

Are you a sexual freak?
Yes I am! I do my own sex swing. How is that for freaky? I like to try out everything once...or maybe twice!

Describe your ultimate sexual fantasy.
I fantasize about being driven across the country by a very sexual trucker. I think that would be nuts. In my mind, he's older and looks a bit like Richard Gere. I love older men. I think I could chew up and spit out boys my own age, so getting fucked by an older man turns me on.

Are you into public displays of affection?
Well, to a point it is acceptable. Some G-rated public displays of affection are great. Nothing too wild. Well, the back of a movie theater is a different story. "Damn, that's not butter on my popcorn!"

Tell us about your sex drive.
It seems like the more I have it, the more I want it. If I go a week without it, I go into this angry nun kind of stage. It needs to happen a lot and frequently. Like right now!

Tell us something about yourself that isn't common knowledge.
I collect vinyl records and love my classic rock albums. I love Ted Nugent's, Cat Scratch Fever. I'm also a member of the NRA . I go shooting often and can shoot a target from 30-45 feet out. I own a .45 and a Glock .22 that I'm fairly good with.

Are you currently working on an exciting new project you'd like to share with us?
I'm working toward my bachelor's degree in economics. That is a great thing that I'm very proud of.

Describe the perfect male/female performer.
The perfect male performer is someone who is professional off camera, affectionate on camera and doesn't ask for you number after. The perfect female performer takes care of herself, isn't catty, and doesn't try to out shine you in a scene. I hate it when girls do that. Erik Everhard and Amy Brooke fit this bill perfectly.

How should fans approach you?
Come up to me and be yourself. Somehow, I think I may be throwing off this bitch vibe. I'd like everybody to know this is not the case. I'm a sweet girl. Come talk with me and you'll see.

When will you fuck again?
I hope that I will fuck someone tonight. The evening is still young. I think I'm going to go out and try my hand at a one-night-stand. I've never done that before. Maybe the time is right.

Do you have any last words or messages for your fans?
Live long and prosper! ♣

It's safe to say that Kissy did not earn her name by being stingy with her oral affection. In fact, there were a few other nicknames for her in the works but "Goo Gulper" sounded a tad bit harsh and "BJ Betty" somehow just didn't stick. So Kissy she is and kissy she does, all over any stiff shaft that's game to go along. She has quite the reputation for being the best schlong smoocher for miles around, and the boys line up to take advantage of her talent. When asked what it is that makes her felate so fantastically, she just smiles, shrugs and says she doesn't know, she just digs going down is all. And lads, let me tell you that you had better thank your lucky stars should you ever find yourself on the receiving end of her lip service 'cause bro, word on the street is she can suck a golf ball through a garden hose, Seriously, some swear they've seen it. Her motto is: "Packing more than a mouthful? Well don't waste it, shove the rest down my throat." Now THAT'S a wondrous worldview. Kissy is the kind of girl who can put a smile on your face without even pulling off her panties, although her pussy is just as worthy of writing home about as her hummers. When a girl is as generous about giving others her gift as Kissy is, that's when you know you've found a real stand up broad. ♣

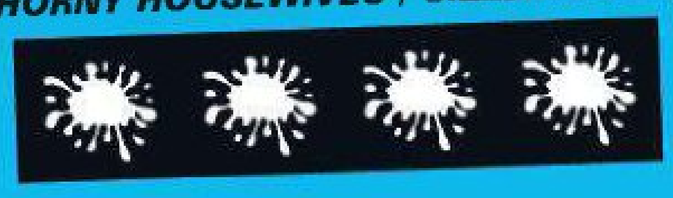
BUSTY HOUSEWIVES 4

STARRING: Lisa Ann, Jayden Jaymes, Mason Moore, Sophie Dee, April O'Neil, Michael Stefano, James Deen, Manuel Ferrara, Mick Blue
DIRECTED BY: William H
AVAILABLE FROM: Elegant Angel

HORNY HOUSEWIVES / SIZZLING SEX



With lots of sexual experience under their belts, these busty bitches are out to prove that marital bliss may have multiple meanings. With a well-orchestrated cast of industry darlings, plausible storylines and top-notch hardcore, expect great things!

Settling into her first day as a housewife, Jayden Jaymes ensures she doesn't stay bored by calling James Deen over to service her undercarriage. Delivering the titty fucking of a lifetime and being torn apart in multiple positions, Jayden is settling into married life quite nicely.

Next, April O'Neil sends her husband off on a dangerous job, moments before her lover Mick Blue stops by for a visit. Making her scream in a flurry of positions, Mick does the most damage from behind in spoon position. Nearly causing April to lose consciousness, due to hyperventilation, he ensures she keeps him on speed dial.

In an effort to console Manuel Ferrara after a horrible accident that hospitalizes his friend, Sophie Dee shoves her big tits in his face. Working through her pussy to numb his pain, he ends up completely banging her saucy slit by cramming it deep in doggie, reverse cowgirl and mish.

While looking incredibly scrumptious on the boxcover, Lisa Ann delivers a knock out scene alongside Michael Stefano. When her husband decides to work late instead of homing home to celebrate their union, she seeks companionship between Michael's legs by going balls deep! With an award worthy blowjob and being contorted into several configurations, Lisa is clearly the main attraction of this production.

Also strong is Mason Moore, who gives Mick Blue the sensation of a lifetime by stroking his cock with her feet. Demonstrating the youngest and most flexible body of the bunch, Mason is contorted into a porno pretzel through several poses that have her splashing her gash gush in every direction. Yep, she's definitely slippery when wet!

SUMMARY: Knocking it out of the park, these horny housewives deliver the goods and then some. Stretched across five hardcore scenes, expect your cock to throb as a direct result of the heat contained within. You've been warned! ♣

BUSTY ONES

STARRING: Shyla Stylez, Jenaveve Jolie, Jenna Presley, Jessica Jaymes, Danica Dillan, Billy Glide, Mr. Pete, Aaron Wilcoxxx, Dirk Styles, Kris Slater
DIRECTED BY: N/A
AVAILABLE FROM: Twistys

BUSTY BABES / BOUNCING BEAVERS

Knocking it out of the park, this winner is dedicated to all the big breast lovers in the world. With multiple setups, sexy couples, and plenty of pussy poking, there is no need to look any further. This big tit bonanza is where it's at!

Looking erotically angelic on the box-cover, Shyla Stylez is clearly the bell of this booby ball. Running circles around the competition, Shyla gets down with Billy Glide in his sex shop. Trying on slutty outfits, Shyla turns Billy on like a light bulb, getting her pussy polished in reverse cowgirl position while plug-ging her butt with fingers. Whatta dirty bitch!

Also playing dirty, Jessica Jaymes has trouble decided where she'd like to get her next tattoo. Inspecting her bountiful curves from every angle, Dirk Styles decides that the best place to poke her is inside of her pussy. Screwing his tongue between her thighs before power pumping her pussy, Dirk treats Jessica like a total slut. Rising to the occasion, she seems more than happy to earn this respected title.

Next, while going on a nature hike, Mr. Pete is shot down by Jenaveve Jolie's poison arrow. Having him right where she wants him, Jenaveve jumps on his lap in cowgirl position, working her sculpted legs up and down like an Olympic athlete. Blowing him between positions, Jenaveve is a real Poke-a-hot-ass incarnate!

Also strong is Jenna Presley. Here she's romanced by Aaron Wilcoxxx with a bouquet of red roses. To show her appreciation, she stuffs her mouth full of his nuts and gags on his stick. Once she comes up for air, he pounds her round in a perfect doggie spread like has her panting like a puppy.

Finally, in lieu of a stiff drink, Kris Slater opts for getting his fill of Danica Dillan's juice box instead. Once satiated, he rims her pussy in missionary posi-tion, squeezing her natural tits through-out. Enjoying every moment, Danica keeps a smile on her face!

GINA'S FILTHY HOS 5

STARRING: Gina Lynn, Alexis Grace, Raquel Diamond, Skyla Paige, Tristan Taylor, Travis Knight, William Wacket
DIRECTED BY: Gina Lynn & Travis Knight
AVAILABLE FROM: Gina Lynn Productions

NO FRILLS / NEWBIE NYMPHS

The ability for Gina Lynn to gather a group of sexy wannabes seems as easy as pie. Eager to emulate the sexual prowess of this famed performer, new girls on the block get spread open like vices in the hopes of one day reaching superstardom. With fresh faced females, basic setups, and a no frills approach to their overall appearance, Gina presents another batch of *Filthy Hos* that are eager for your seed.

Alexis Grace leads the pack by polishing her teeth with William Wacket's wang. Taking his cock down to the balls, there is nothing amateur about her oral attempts. Also taking a solid dicking in doggie, and a royal reaming in cowgirl, this first timer is a freak in the sheets.

Raquel Diamond, another newbie on a mission, has a blast working through the usual positions along side Travis Knight. Breaking his two-year hiatus, Travis seems quite happy to be back in the saddle again when he bends Raquel in half to deliver her most impressive position.

To ensure he's welcomed back in style, Skyla Paige is the next slut in line to reinstate his seasoned stick. Bouncing on his lap, like a good little girl, any man would be pleased to have Skyla laid out before them. Taking full advantage of her 19-year-old hole, Travis plows through her slit, offering up a salty blast for her effort.

Tristan Taylor, the only other blonde in this production, besides Gina Lynn, proves to be the filthiest whore of them all when she gives William Wacket's anus a thorough tongue bath. Going in for the kill, this bitch even has him bent in front of her for better ass licking leverage. If tossed salads are what you are hungry for, you'll like this scene very much.

Gina finally appears in the end when she fucks herself silly across a bed with her fingers and a glass toy, affirming that she's still the queen bee.

SUMMARY: Gathering up another batch of inexperienced sluts, Gina Lynn offers viewers a no frills approach to Gonzo sex. With several tasty treats to sample and a solo masturbation scene delivered by the master, fans of amateur sex shouldn't be disappointed with these results. ♣

With contract cutie, Kayden Kross playing the coveted role and leading an all-star cast in this feature all about workplace romances, working hard on the job has never looked so good.

Banging it out in the opening scene, Kayden Kross lures Mick Blue into committing adultery when she practically tears his cock from his pants. Sucking hard before peeling herself open on top of her father's desk, Kayden confirms her contract star status in a fantastic missionary position.

While Mick feels sorrow about his infidelity, he has no idea that his on-screen wife, played by Bridgette B, is getting it on with Evan Stone, his boss! Tearing into her Latina holes, Evan shows Bridgette no mercy. Likely fucking her harder than she's ever been fucked before, Evan ensures that her pussy snaps, crackles and pops. Repeatedly!

Later at a home game, members from the office sit around a poker table. Once Kayden starts fucking around with the guests, the party dissipates. Manuel Ferrara, Kristina Rose and Nika Noir end up in a back room where Manuel stacks these chick up like hotcakes before slathering both with his warm butter. In the strongest sexual display featured, expect fireworks!

Meanwhile back at the poker table, Scott Nails is hammering his tool into Kayden's crotch in standing doggie position. With a fabulous physique and plenty of heart, Kayden goes through the motions in several more poses, including cowgirl, before being christened with his cream.

Once Evan returns to his office, he is pleased to find McKenzie Lee awaiting his arrival. Pulling her apart, Evan waxes the wooden desk with her pussy polish. Looking divine in a reverse cowgirl spread, McKenzie works her legs and yanks on her tits before the company ink is splattered across her. Sticky!

SUMMARY: Making the most out of the 9 to 5 grind, director Robby D creates a sexual hot zone that is choke full of industry titans and loads of kinky sex. With Kayden Kross leading the pack, you are guaranteed a good time. Signed, sealed and delivered! ♣

PORNSTARS LIKE IT BIG 9

STARRING: Kagney Linn Karter, Abbey Brooks, Janine Lindemulder, Courtney Cummz, Avy Scott, Jayden Jaymes, Keiran Lee, Johnny Sins, Jack Napier, Scott Nails
DIRECTED BY: N/A
AVAILABLE FROM: LFP Video

PORN STAR POWER / WHOPPER WANGS

It's no secret, porn stars like big cocks! Assembled here are six babes that are more than happy to affirm that claim wholeheartedly by wrapping their lips and pussies around jumbo-sized meat sticks. With the usual comical storylines prompting each scenario and a flock of adult's finest fannies, the ninth edition to this acclaimed series packs a powerful punch.

Coming out strong, Kagney Linn Karter and Abbey Brooks lead the pack when they double up to please Keiran Lee. With his inability to choose which hole to penetrate first, he opts for indulging in a blow bang session that has both girls chomping at his bit. Once finished, he works both girls through multiple positions, getting the best leverage when riding Abbey's curves doggie style.

When finished there, we see Courtney Cummz walking down the aisle for her Vegas style wedding. Once she gets a look at the Elvis impersonator's stick, she jumps ship and goes for his jail-house cock instead! Taking control in reverse cowgirl, Courtney's perfect porn star body is in full display. With perky tits and a round ass, she's a playground full of sexual opportunities.

Next in a psycho ward, Avy Scott suffers from a severe case of nympho-mania. The only way to calm her down is to give her a healthy dose of cock, supplied by Jack Napier. With explosive energy and scads of hardcore coverage, you won't be disappointed.

Looking dynamite in '70s garb, Jayden Jaymes comes to life as a disco slut. Practicing her groovy moves on Johnny Sins, Jayden works through the usual configura-tions, looking dangerously good when sprawled out in pile driver.

Adding further spice to the pot, Janine Lindemulder makes a rare porn appearance. Commanding control of her scene from the start, Janine confirms that her slutty star still shines bright!

SUMMARY: Watching sexy sluts handle big cocks is what we porn lovers crave. Seldom is it done this well, and with such celebrated starlets. Porn Central definitely has a prime location... it's Brazzers! ♣

SEX CRIMES

STARRING: Mallory Rae Murphy, Sophie Dee, Angel Dark, Monique Alexander, Nikki Jayne (non-sex), Tommy Gunn, Johnny Sins, Evan Stone, Jerry, Jon Jon, Mr. Pete
DIRECTED BY: Jonathan Morgan
AVAILABLE FROM: Wicked Pictures

MURDER MYSTERY / SEX THRILLER

The chances of solving a murder are cut in half if authorities don't get a lead in the first thirty-six hours. Today, the body of an unidentified male has been found. Sgt. Mallory Rae Murphy rushes to the scene in this murder mystery thriller, directed by B. Skow. With twists, turns, and plenty of hardcore sex, a team of sexy investigators are prepared to solve the crime, even if that means sacrificing their own bodies in the process.

With invasive questioning, detective Tommy Gunn turns up the heat on Sophie Dee by shrewdly interrogating her. Ready to do what it takes to get to the bottom of the crime, Tommy begins with her ass by impaling her gape and gash with gobs of his gun. After solid pounding, she remembers a vital clue.

As the investigation continues to unfold, Mallory Rae Murphy is led to a porn studio where Angel Dark is getting her daily dose of chocolate when Jon Jon comes over to play. Banging through her Euro slit, Jon Jon treats Angel like a devil by impaling her pussy with plenty of horn.

After 24 hours have passed and no leads have been obtained, Mallory grows weary, eventually seeking solace in the arms of Johnny Sins. Fucking like bunnies at police headquarters, Mallory is on fire in cowgirl position, riding pole like a pro before getting her pussy polished with pole pudding.

The victim, Mr. Pete, has been identified. Looking over his last porn movie, investigators watch him split Monique Alexander in two. Smearing her across a leather bench, Mr. Pete nearly breaks this rail thin tart. Treating each other to plenty of oral love, the action really heats up when she takes command in reverse cowgirl.

In the end, Mallory goes back to the porn studio to fill up on a double dose of meat. Taking on Jerry and Evan Stone, Mallory delivers the stand out scene of this production, proving she's a star on the rise.

SUMMARY: More reminiscent of the big budget features of late, Vivid is back in the hot heat, delivering what may arguably be one of their most solid feature projects to date. A seamless thriller from end to end, this movie is absolutely incredible! ♣

It is often said that looks can be deceiving, and certainly the reason it's said so much is because it tends, more often than not, to be true. When Mark chose Debbie to be his best girl he basically picked because of her looks. He found her to be hella hot for sure but truthfully there was more than that. To him, there seemed to be something sweetish about her—an air of innocence, almost—what can be best described as just a tad bit demure. Whatever it was that he thought he saw he was soon to discover that he was waaaay off. Debbie, in fact, is a jizzabelle of the highest order and despite her shiny blond hair, her tasteful strand of pearls and the classy way in which she carries herself she is after one thing and one thing only—to get laid left, right and center. At first Mark felt aghast by her super slutty actions—the bj's in barroom bathrooms, the quickies in corners, her staunch refusal to ever wear panties—but then he started to warm up to her wanton ways. He realized, rightly so, that while she might not be the kind he'd take home to mother as he initially intended, Debbie was a very freaky girl and, as such, all kinds of fun. And soon he found himself thinking "what a fucking fortuitous find!" Some guys have all the luck. ♣

NEW PUSSY FOR THE CRUSHIN'

FRESH FACES GET FUCKED!

28254

STARRING: ARIANA FOX, ERICKA GRANT, CASEY ROSE, LAYLA, VANESSA, BRIAN STREET TEAM, CAMERON REED, RAY BONES, JACK SPADE
DIRECTED BY: RAY BONES
AVAILABLE FROM: DIABOLIC

Excited to break into the adult industry and show the world what they are made of, director Ray Bones has handpicked horny hopefuls, matching them up against seasoned players in what becomes a wild ride of sexual firsts on camera. The effects are a solid production filled with horny heartthrobs, sexy setups, solid camerawork, and incredible hardcore action spread across five scenes. With bright eyes, bushy tails, and a thirst for basking in the glow of superstardom, watch as these industry first timers break into the jizz biz in *New Pussy For the Crushin'*, the newest project from Diabolic. Granted a ringside seat to witness this new batch of birds spread their wings and fly, how could we refuse such a sweet invitation? So sit back and watch legs fall open and panties drop to the floor, as sexy sluts are spliced open like never before. The time has come for pretty pussies to be crushed. The floodgates are now open. Are you ready to get wet?

Up on the chopping block first is Latina dream girl, Ariana Fox. With a fresh face, svelte body, and curly brown hair, Ariana looks more like a student you'd find waiting for the school bus rather than a sexy slut eager to fuck on camera for the first time. But as we all know, looks can be very deceiving. In Ariana's case, they are!

Perfectly comfortable in front of the camera, Ariana writhes her freshly sprung body across a gilded bed, arranging herself into one sexual position after another. "Give me more of that," director Ray Bones asks, obviously enamored by her unexpected level of confidence and expertise. Also enamored is Brian Street Team, her cock for the day that is sitting in the corner of the room, stroking his stick to the sight of her caramel colored skin smearing across the beige bedding. "Bones am I up yet?" he impatiently asks, tapping his foot, ready for the attack. Finally, he is given the green light by the skillful director. "It's time to fuck the first pussy of the day!" Ray jokes.

Barreling at him with an open mouth, Ariana attaches her lips around his cock and begins to suck. Holding her in place by the shoulders, Brian bucks his hips into her face and moans, "You look so sexy with my dick in your mouth." Smiling at his compliment, Ariana seeps down lower, spitting on his balls and strumming them with her small hands. "Do you like this?" she sheepishly questions, trying her best to discover Brian's pleasure points. "Oh yes," he sighs, with his eyes rolling in the back of his head, "It would be better though if you stick my balls in your mouth!"

After a few more minutes of oral love, that looks more professional than amateur, Ariana arranges herself on top of his lap in reverse cowgirl position and then doggie. "I want everybody to see the way my body looks when I'm fucking," she exerts, spiraling her pint-sized frame in a languid S-formation that makes her look like a sexy snake. Eager to show off one insertion shot after another, she unlatches from his cock on a few occasions, allowing the camera to get inches away from the penetrative action. "My pussy's being crushed," she moans, digging her pretty toes into the bedding for better traction. By all accounts, Ariana is a hot girl and this is a very hot start!

After an extensive lighting and location change, Casey Rose saunters onto the set looking like a million bucks. With store bought titties, that look to be a solid D-cup, and a perfectly fuckable body, decorated with scads of awesome tattoos, Casey already resembles the stereotypical perception of what a porn star ought to look like. But, can she fuck?

That question is quickly answered the minute she jumps on Cameron Reed in reverse cowgirl position, treating his tool like a piston by riding it up and down. "I know this tight pussy feels good wrapped around your cock," she chugs, spewing out scads of dirty talk as she continues to grind and gallop. "All of this action before the blowjob?" Ray nods, obviously happy to have reeled in such a fighting fish!

Playing up to the camera by tugging on her boobs and raking her tongue across her thick nipples, Casey looks more like a seasoned player rather than an awkward new kid on the block. "Do you want these tits shoved in your face?" she inquires, spinning in place to continue the show in regular cowgirl position. True to her words, Casey wiggles and jiggles her tits in Cameron's face as he laps up her cleavage like a St. Bernard pup. He grabs hold of the beautiful butterfly tattoos lining her waist and makes her body flutter with hardcore thumping, as he continues to slam her against his joystick.

As her legs begin to tire from the constant exercise, Casey gives up a bit of her dominancy in lieu of laying on her back to take further pounding in missionary position. Maintaining laser sharp eye contact, she hones in on Cameron

and begs him to bury his hammer inside of her hole. "Please make me cum. Please..." she later begs, eventually releasing a fair amount of creamy slit paste that cements their crotches together quite nicely. Right before another gooey orgasm is released from her gash, Cameron beats her to the punch by smearing his salty cheese across her perfect chest. "Yeah, we'll definitely be seeing more of this girl," Ray jokes, noticeably excited about finding such a diamond in the rough.

All heated up from directing the first two scenes of the day, Ray Bones is more than anxious to throw himself into the mix. Happily agreeing to crush Layla across a white leather sofa, Ray is as hard as a rock and ready to turn this newbie inside out. Being such an experienced veteran, and having had the opportunity to mix middles with the industry's finest, Layla is certainly in capable hands. "You're all mine now," he contends, sliding his pants to the floor to reveal his beefy stick. Like a good whore, Layla responds with a smile and a confident, "bring it on!"

Kissing her face and petting her silky red hair, it doesn't take long for Ray to shed his bedside manner and replace it with plenty of testosterone. "Open wide like a good little slut," quickly replaces his previously tender tone. Now speaking her language, Layla is putty in his hands, dropping to the floor like a ton of bricks to polish his pole. With amateur charm and lots of heart, Layla manages to heave in a few meaty inches down her throat, but that is all for today. When push comes to shove, Layla needs a bit more experience. Perhaps, entering herself into a few cock chugging contests ought to give her the oral chops needed to stand toe-to-toe with the industry titans.

Nonetheless, the little trooper rages on, taking Ray's lead at every pass. Doing her best work when sprawled out in spoon, Ray rushes her from behind, locking eyes and loins as her pussy starts to leak. "You like the feel of a big cock inside of you?" he questions. Whimpering like a puppy she nods her head, sighing, "I wish you could fuck me every day!"

Taking full advantage of the tasty meat laid out before him, Ray fucks her wildly across three more positions until her overheated body matches the orange-colored hue of her hair. After a few more twists and turns, Layla is granted a much-needed watering session when Ray unloads his milky blast all over her. Wet!

Meanwhile, in the next room, the crew is already in the preliminary stages of recording Vanessa getting her mouth stuffed by Jack Spade. Obviously not new to the art of sucking cock, Vanessa isn't shy about getting her face smashed up against his freshly mowed pubes. In fact, she's wedged in so deep, she's asked to back away by the cameraman so he can capture Jack's cock disappear-

ing down her hatchet. Once cleaned up, Ray returns to the set, and interjects, "I can see you've done this a time or two before!" Laughing at his raw humor, Vanessa gets back into character by busying herself and blowing spit bubbles over Jack's balls. "Do you want more of my mouth?" she teases, lifting her lips from his nads to reveal delicious spit stringers that are about 10 inches long!

Flipping her over onto all fours is a direct revelation of his final answer. They continue introducing their genitals to one another by slamming the two together in doggie position. Locking her wrists behind her back, Jack plows his pole into her pussy, causing her eyes to squint and her body to sweat. "You know I love it dirty!" she hisses, as foam starts to corner her pouty lips.

Once she reaches climax in this position, it's time to flip her over onto her back. Now fully spread, Jack takes his place between her legs and continues the show. Pushing her down by the spattering of leopard print tattoos scattered across her shoulders, Jack has full control of this cat. "Look at me when I fuck you," he demands, cupping her chin in his hands in order to direct her electric blue gaze onto him. When her eyes roll back in a moment of ecstasy, he hisses again, this time with a tighter grip, "Keep those eyes on me!" After bouncing around his stick across a few more positions, he lays her out on her back for the last time, eventually spewing his sauce across her hairless hoochie.

As the day comes to an end, director Ray Bones congratulates the girls on a job well done. Although I was only able personally to witness four of the five features scenes, missing Erika Grant take on Brian Street Team in a glamorous living room, I'm happy to report that Diabolic was clearly successful in finding a shining batch of new pussies eager to be fucked. Hopefully one of these girls will continue in their quest of becoming the next big thing in the adult industry. With a great start earned by each lovely lady, we'll have to stay tuned to find out what which starlets have what it takes to rise to the top! ♣

SLUTTY TEENS HUSTLE IN TIMES SQUARE!

When me and my girlfriend Danyelle come to New York City, we head to Times Square. It's a cool place to shop with great stores, but even better is that we can meet guys there and make some money! See, we're nineteen year old New Jersey hookers who give guys head and pussy until our pockets are stuffed with their cash.

Don't let the publicity fool you. Times Square is still one of the sleaziest places in Manhattan, but more undercover than in the days when junkies and pimps ruled. Me and Danyelle have met johns all over there, near the nice bright stores and restaurants, but you just have to be careful about it. We don't dress like ho's, but like regular girls so we blend in. And it's easy to find the right guys to talk to. They always have that "I want to buy a female" look in their eyes. It doesn't matter how old they are, men can be young and hot and still prefer to pay for their pussy. Just like celebrities we all know about!

The other day me and Danyelle met these two okay-looking tourists from Europe who were looking for fun. They were buying New York City t-shirts to bring home to their country. They were staying in a side street hotel off Broadway and we let them know we could have a nice time together if they were willing to help us out with some spending money. They understood and showed us a nice wad of American cash that looked fresh from the currency exchange nearby.

In their hotel room, me and Danyelle stripped down to our lingerie. We both believe in not rushing things, after all, we're amateur hookers, not hardened pros, and we want to have a good time ourselves as well as earn money. Through the windows of the room we could hear the sounds of Times Square below while we were shaking our butts in front of the guys and doing a little lesbian stuff. The guys' names were Birko and Grupke, I think they said they were from some place called Klovia. They really enjoyed what

LUCY, LESLIE & ZENZA

Whoa Nellie, is Lucy loose, but that's precisely why all the dude worship her. It's not because she knows a tin about sports or can cook like a gourmet, nor is it because she's friendly and fun and can sew on buttons as well as a seamstress. It's because she'll put out for pretty much whoever has the balls enough to ask her to, and she always says "the more me, the merrier" and means it. Leslie and Zenza are frat brothers with fey names who met Lucy waiting tables at their local diner just the other day. They asked if they could pick her up after she shift and she said "sure," then eight hours later the three were all getting it on like champs in the fancy apartment she was subletting. Lucy let both boys fuck her flat out senseless on the antique couch in her living room. First she sucked one while screwing the other, then the men swapped spots so neither would miss out on any action and when both were really rock hard and wielding boners about to burst, Lucy navigated them one at a time into both her ass then her pussy so that the end result was a remarkable DP that caused Lucy to cum so hard she cried out like a banshee while both Leslie and Zenza shot her crack full of man-aise. Unsurprisingly, Lucy loved it!

we told them was our "Times Square Style Strip." To finish it we took down our panties and tossed them in Birko and Grupke's faces! They chewed on the panty crotches with big grins and took out their huge uncut Euro dicks for the main event.

Me and Danyelle paired off. Of course, they paid us four hundred dollars first for this entertainment, we're not dummies even though we're amateurs. We know enough to get our money up front. I was with Grupke and his cock was so big and juicy, the moment I took it in my lips my pussy started watering like a fountain. Grupke and me got on the bed while Danyelle and Birko went into the bathroom to fuck in the shower. I could hear Danyelle moan even over the water.

I sucked Grupke's dick and played with myself, and I was so squishy and hot that Grupke said in his heavy accent that he wanted to "seexty-nine" and so he got under my vag and began to lick. I really wondered when was the last time he ate pussy because he was like a starving man, his tongue was rooting around in there and lapping and sucking my clit. I kept slurping his prick but it was hard to concentrate because I was getting so hot, so I told him he had to fuck me now, I wanted his big dick, no excuses. So Grupke got over me and put his thing in my pussy and banged away. The fucking was even more intense than the licking, I also wondered when was the last time he got fucked. It was really good and I would have loved to take a creampie but I was no fool. I pulled him down to my face and kissed him deep with my tongue and told him I wanted to see him to pull out so I could see all his beautiful jiz fly in the air, in fact I told him to go over to the window and shoot it out towards Times Square. He laughed at the idea and hurried over to the glass and blasted it all out. It was weird to see all his cream splattered on the window with the sights of Times Square in the distance. The only thing better would have been to do this on New Year's Eve. Hey, maybe if me and Danyelle are still hooking at the end of the year, we'll give that a try!

I LIFTED HIS SPIRITS WITH MY TITS

My neighbor Brian was a nice guy, and really in love with his live-in girlfriend. Unfortunately she wasn't capable of loyalty, and when she abandoned him for some lothario she'd met at her gym and fucked on the sly, Brian was devastated.

Afterward, I'd see him moping around the apartment complex. Since we'd been always been friendly, I tried to invite him in for a cup of coffee, but he seemed withdrawn into himself.

Finally I played upon his helpful instincts. Brian had always been good about helping me, or other neighbors, with little household things that had to be fixed, so I asked him to give me a hand with new curtains I was installing. When he balked, I scolded him playfully and told him to get his skinny ass in gear and give me a hand! Well, maybe that was the kind of treatment he really needed, because he came in and helped me out after all. It was a big, awkward job, and it took his mind off his problems, got to him to forget that it was a Sunday afternoon and his ex-honey was no longer around to read the papers with him.

After we finished with the curtains, he took me up on my offer of a soda. As we talked, I noticed that his eyes were drifting over to my cleavage in the low-cut blouse I was wearing. I had dressed this way intentionally, of course. Now that Brian was a free agent, I wanted some of him for myself. After all, did I ever say that my motives were purely selfless?

When I brought him another soda, I bent down low so that Brian could get a closer look at my tits. I had unbuttoned further in the kitchen. After I put the drink down, I stopped and turned to him, looking down into his big eyes, and I said, "You need more than another root beer." Confronted by the beautiful valley of my tits, all he could do was lick his lips, widen his eyes, and sadly nod, almost as if it were a shame he were in this needy frame of mind.

"Come to me, baby," I said, and it was exactly the right thing, as it turned out. I crushed his face into my blouse and I could feel the heat of his lips seeking my bare flesh. I hadn't worn any bra,

and my nipples were stiff like stones against the fabric. I undid a few more buttons and my boobs fell out against his face. I could feel the slight stubble of his beard as his mouth latched onto one nipple while his hand reached up to play with the other.

"Oh Joanie this is what I've needed for weeks!" he said.

I sat down on the edge of the chair and let him suck for awhile, rubbing his cock through the front of his pants. He was incredibly hard, and his mouth was terribly horny as he sucked my nipples deep between his lips and teeth.

"Let's go into the bedroom, honey," I said, standing slowly and lifting him up and walking him into the next room.

I sat him down on the bed and undid his clothes and took them all off until he was completely naked. I was still mostly dressed, so then he sat me down and took off my duds while we kissed and felt each other, sitting there on the edge of the mattress. Then we fell back kissing against the comforter, Brian's mouth seeking my nipples again while this time his hand played with my pussy.

"Enjoy me, baby," I whispered, running my hands through his hair and reaching for his cock, which was stiff and long. I ran my fingers over the leaky, shiny tip, and then I shifted myself so I could suck him. He seemed reluctant to give up my tits, but a few moments of my mouth convinced them there were other things in life.

I licked his shaft long and slow and then I sunk my lips over his tip and took him in deep. He moaned, his hands holding fistfuls of my hair gently as I moved my face up and down on his prick. When I looked up though, I sensed the best way to finish him. There's be other chances to blow him, after all. I crawled up so that he could take my nipples in his mouth again, and I jacked his cock while he sucked on me with all the pent-up feelings he'd been carrying around for weeks. When he exploded all over my hand, his mouth was still tight on my left nipple, sucking as if for dear life. But things were looking up for him, I decided. As they were for me!—***Joanie, Austin TX*** ♣

Gal pals Paige and Nicole have always had a more "hands-on" kind of relationship than most female friends would consider normal. Every time they bump into each other on the street they openly kiss each other on either cheek then rush to check in to a cheap hotel so they can continue the kissing (on a different pair of cheeks) behind closed doors. The shag spot selected this time around is especially swanky, with a courtyard, a pool and a lawn as pretty and well manicured as both of their smoothly shaved she-shrubs. Once these girls get going anything goes—they follow whatever wacky course of action their passions inspire. Nicole pulled out all the stops on Paige by deftly using her polished piggies to tenderly tickle her twat, while Paige puckered up to plant some sloppy kisses all around the tips of Nicole's perky little nips. They flit, fondle and flutter each other in to voluptuous orgasms that throb and roar and seem to go on forever. Then once they cool off from their climax just a bit, these babes are right back at it mashing together mouths, melons and mounds until they melt once again into an entangles mass of 'mmmm." When each finds herself feeling fulfilled, they kiss kiss once again and go their separate ways, sure that their schedules will synch up again soon for some more sexy Sapphic shenanigans. ♣

CASSIE *Golden gal Cassie works part-time at an antique store in Glendale. "I love antiques. There is just so much history behind each piece. Old stuff is so cool. I like my men older, too. Give me an older guy with some life experience over a senseless young tool any day." This 26-year-old likes to keep busy in her spare time. "I love going to the gym, it's really important to me to keep my body looking good. I enjoy going out on dates and meeting new people. My girlfriends and I spend a lot of time hanging out at bars trying to pick up men. I usually don't have any trouble finding someone to take me home." Her idea of an ideal date is "A fancy dinner with some good wine, followed by coffee and dessert. Then a romantic moonlit walk holding hands. Followed by awesome sex. A full night of it."*

ANGIE *"I'm really outgoing. That's the nice way of putting it. I guess the truth is that I'm pretty wild. I like to have a good time. I always have fun no matter where I go." This 23-year-old is a waitress at Olive Garden. "I guess I like my job OK. I meet plenty of different people. Mostly it's couples, married couple or people on dates. Sometimes a nice looking man will come in and have dinner by himself and ask me out. I've been on a few dates with customers. They were OK. A little boring. I prefer going out dancing and to parties rather than to dinner." Angie's favorite position is "definitely doggie" and her turn-ons include "having my nipples sucked on, having my feet rubbed and having sex in public. It so exciting to fuck in places where you might get caught."*

ROXANN *A recent high school graduate, 19-year-old Roxann is excited at the prospect of her nude photos appearing on the pages of Club Confidential. "This is so cool! My boyfriend and I can't wait until I'm published. He's gonna jerk off to my pics while I watch. It's gonna be so hot. We have sex while watching pornos all the time." She's never yet had sex with a woman but it's something she thinks she might like to try. "My boyfriend is trying to get me to agree to have a three way with another girl. I'mnot sure. It looks pretty hot in the movies and I'm definitely turned on by some of the girls I see around but I'm just not sure I'm ready to go there." Her dirtiest secrect is "When I'm really, really turned on I like to have my boyfriend put his cock in my butt. It feels so good."*

BROOKE

By day, frisky 22-year-old Brooke works at a children's bookshop but nights are an entirely different matter. "Usually I meet up with friends after work for some drinks and then I'll see where the night takes me. I always keep a fresh outfit at work just in case I don't make it home. Often I'll meet someone at a bar and spend the night at their place. I live to get laid. I guess you could say I'm pretty wild." If she ever brought one of her new-found friends back to her pad, they would find some fun stuff in her bedroom. "Piles of clothes, lots of sexy lingerie, pink fuzzy handcuffs, some porno movies. Oh and I always have my vibrator ready on my nightstand, next to a bottle of lube. I girl's gotta keep it handy!" She sent in her photos "because why the heck not??"

MOLLY *Twenty-year-old Molly is currently unemployed. "But not for long! I have an audition at a strip club next week. I think I'll be an awesome stripper. I love to dance and I love being naked. It's, like, the perfect job for me." In addition to being naked and dancing, Molly also enjoys "giving head, getting head, reading comic books and surfing the web." Her perfect romantic evening would be "going to dinner and then a movie where we sit in the back and make out the whole time." Her secret fantasy is to "Have sex with a few guys at the same time. I don't mean two guys, I'm thinking more like three or four. I'd love to know what it's like to service so many hard cocks at the same time. I want to kneel on the floor naked while they all point straight at my face. The thought of that really turns me on."*

EMMA *"Everyone always mistakes me for being younger than I am," confesses this 29-year-old homemaker. "I guess it's because I'm so tiny." She's determined to prove that big sluts come in small packages. "My husband loves that I'm such a hell cat in bed. We're swingers and we throw sex parties pretty often." which explains the long list of naughty items to be found in her bedroom "rope, blindfolds, condoms, porno magazines, lube, cockrings, toys and plenty of batteries." Her turn-ons include "big dicks, big breasts, and wet kisses from both males and females." Some of her turn-offs are "big noses and excessively hairy armpits." She submitted her photos because "It's always been a fantasy of mine to appear naked in a magazine.*

"VIRGIN TERRITORY!"

StoreMags.com - Free Magazines Download in True PDF format

Unfortunately, I am a 30-year-old virgin. Despite having several attempts, and numerous relationships, I've never gotten down and dirty with an actual person, beyond third base. I'm not entirely sure what my sexual hang-ups are all about because I absolutely love fucking myself at home. In fact, I'm on a constant quest of finding new ways and objects to help make myself explode. I've used fingers, vibrators, dildos, various fruits and vegetables, and have even resorted to rubbing a plastic spatula over my clit, all with favorable results. Last week, while washing dishes, I even went to the extreme of jumping on the countertop, spreading my legs, and letting the warm, rushing water bring me to climax. Despite having to clean up the drenched floor, it was one of the best orgasms of my life.

The thought of allowing somebody to bring me to such physical extremes is a very erotic thought, although I always chicken out in the end. I'm afraid the person won't touch me as well as I do, and that I would leave the experience disappointed. Believe me, I get so excited wondering how a cock would feel jammed up my clam. I fantasize about it so much that I make myself gush before ever leaving my house. Perfectly satiated, I smoke a cigarette and pop on the television set, instead of going out to find a man.

However, tonight will be different, as I have called Randy over to play! Vowing to end this trend and induct myself into the sexual world, I haven't fucked myself in a week. Dying for dick and some orgasmic relief, I can't wait to stuff my mouth and muff with meat, for the first time. Wish me luck, *Club Confidential* readers. The doorbell is ringing!

LINDA, NICK & FRANK

StoreMags.com - Free Magazines Download in True PDF format

Release: StoreMags & FantaMag

storedmags.com

Ever since she turned eighteen, Linda has kept cumpany exclusively with wealthy, well-hung horny men. That means she has had ample opportunity to hone her hedonism and is currently so completely devoted to her own sexual pleasure that she is little more than a gorgeous, well-oiled fuck machine. Which suits her just fine, frankly, as it does her suitors. Her two most favorite friends to fornicate with are Nick and Frank because both of them are wired to the single-minded pursuit of carnal pleasure much in the same way she is. Linda takes very good care of her body, not only so that men will want her but also so she can perform with the lithe sexual athleticism necessary to keep two virile and very horny men such as Nick and Frank fully satisfied simultaneously. She preps herself for them by boisterously fingerbanging both her holes. Then she sucks the men to her preferred stiffness—she likes her rods extra rigid—before allowing one entrance into her vage while keeping the other sung and spitty in her mouth. If she feels her fun hole is being fucked to her liking, she'll then permit that porksword to ease its way into her starfish. When her ass is maxed out with man meat, she'll encourage the second tube steak to slide in between her two lips 'till her quim and bum are both full to the brim. Then before long she's blasted with two fat wads of spunk, leaving a smile pasted on her exquisite face for days. ♣
